## EDUCATION

---

### University of California, San Diego

San Diego, CA

*Bachelor of Science Cognitive Science: Design & Interaction*

*Sep 2016 – Aug 2020*

**Relevant Coursework:** Design of Everyday Things, Design for Development, Usability and Information Architecture, Data Science in Practice, Cyborgs Now and In the Future

### Selected Academic Experience:

- Developed an efficiently designed version of **Kung Fu Tea's** mobile application with improved user experience via empirical research and experimentation
- Prototyped and created **InColor**, a mobile application for colorblind people which allows personalized camera filters based on type of colorblindness
- Conducted a rebrand outline for **Middleway Meditation Institute** by marketing to new participants and strengthening social media presence and brand identity (logo and creative content)

### Extracurricular Project:

Translated and assisted Professor Ngo Anh-Thu in translating **First Things First 2020 - A Design Manifesto** to Vietnamese (<https://www.firstthingsfirst2020.org>)
